Spring 2019

Nebraska Grand Assembly

June 7-9, 2019

From GWA Morgan...

Greeting Nebraska Rainbow!!

I hope that all is well with everybody. I will try to keep this to the point. Grand Assembly is coming up so it's time to really start taking a look at what you need to do to get ready for Grand. Make sure to have your dresses altered and your parts (if you have one) memorized!

This year at grand assembly if you would like to participate in the Art and Writing competitions talk to your Mother Advisors, they have more information for you. Remember that the winners will get prizes!!

Do you remember that Nebraska Rainbow voted on the Red panda for the zoo vote? Well if we can raise another $160, we can have another vote and sponsor a second animal!! Maybe we will even be able to break the tie between the Orangutans and the African Elephants!

I still have a bunch to T-shirts for sale and some Keychain dragons left over. If you're interested email me at moggchandler@gmail.com

Don't forget that we are still collecting clothing items for the Foster Care Closet. Let's work together to give the kids back some of their dignity. You can check out what is currently needed at the website https://fostercarecloset.org/

Keep up the good work and remember to meet new people and invite your family and friends to check out what rainbow is all about!

Weeping Water #5

On November 28th we hosted a Friendship Dinner Rushee Party where we played a few games, made friendship bracelets ate a lot of YUMMY food. We sent home a few Applications of Membership and guess what we got TWO back!!!! So on February 3rd we INITIATED 2 new members. Katie Meyer and Mary Hahn.

April 6th a couple of our members helped out with the clean up of our local cemetery. It was a beautiful day to be outside and get some community service in. Sherry Kunz even bought us breakfast after.

We have invited more prospective members to our Installation of Officers on April 28th with the hope of handing out more Applications for Membership. LOOK OUT at Grand Assembly, we maybe bring a few initiates!!!

Courtney Bockman and officers were Installed on Sunday April 28th. With the theme She believed she could so she did. Courtney would like to collect change and send the money to victims of the current flood. She is also concentrating on membership growth. At installation we sent home petitions with 2 girls!!!!

HELLO NEBRASKA !

MEMBERSHIP

HOW DID WE DO IN 2018?

I don't like to start my newsletter pages with negative news, but I can't hide it under the rug or between the lines either. We did not have a gain in membership in 2018. The loss was not as much as last year and that is the good news. Our ending membership was 74 Rainbow Girls in Nebraska.

We started with eighty. There were 7 majorities and we can't do anything about those.

We initiated 9 and reinstated 1 but that isn't enough when 7 demitted and 2 were suspended. I do appreciate that there are demits rather than suspensions; it shows you are keeping in touch with your girls. My reality is that as much as I think differently, Rainbow isn't always for every girl and it's better to be honest and let uninterested girls find a better fit elsewhere than to carry inactive members to make numbers look good.

So let's look at the good news. Elkhorn Waterloo had growth. Benson, Lynn Broyhill, Athena and Plainview stayed the same. Four assemblies initiated between 2 and 3 new members.

Challenge for 2019…***EVERY*** ASSEMBLY INITIATES NEW MEMBERS! Can we have 100%?!? We need initiates for Grand Assembly and that counts for your Assembly. Your visitation is a great place to show off and initiate.

There are incentives and awards…Power of One, Dairy Queen gift cards, Supreme necklaces, theme park tickets for building a bow (7 new members in a year), $25 to help fund Prospect Parties. LET'S GROW IN 2019!!!

MCALESTER 2019

Snow in between SSC and Lincoln, foggy in Lincoln, sunny and warm in Oklahoma! Yay! The following is a thumbnail sketch of a wonderful 2019 GWA Spring Trip weekend full of Rainbow history, memories, fun and friends.

Nine travelers left Lincoln on Morgan's spring trip in a 15- passenger van captained by Laurel Wolfe and co-piloted by SI Betty. MA Tiffany Westerholt was the flight attendant. GWA Morgan, Brileigh, Katherine, Bree, Jocelyn, and Cambrie were the crew aboard. Destination Supreme Temple, McAlester, Oklahoma.

On arrival at the Temple we were greeted by the staff—Danyelle, Karen, and Angel. Karen gave us a tour of the Temple and answered questions. We found familiar pictures and names on the walls of the Temple. We shopped in the Rainbow store. The staff joined us for a box lunch in the Temple kitchen.

Even though we were a small group, we held a Rainbow meeting with Opening and Closing in the Supreme Assembly Room; everyone had a part and it was quite impressive.

When we left the Temple, we took a walking/driving tour to see Rev. Sexson's house and that of another prominent Mason in Rev. Sexson's time. We drove to the McAlester Cemetery where we visited the Rainbow Memorial Walkway and found the area where the engraved bricks honoring Nebraskans (maybe names you would recognize) were located and we located Rev. W. Mark Sexson's grave.

After touring we went to dinner and on to the entertainment center for a night of fun. The no need for a reservation turned into an hour wait so our flight attendant took over and found a mini-golf course where there was no wait. It was 70 degrees, a beautiful night to be outside, and we had the course to ourselves!

Sunday morning we had breakfast at the hotel and meditation time when which each traveler shared something meaningful to her. Amen. Lord help us to keep our promise. It was time to load up and hit the road back to snow country. It was a great weekend!

THANK A MASON! THANK AN EASTERN STAR!

Our sponsoring Orders are very generous in supporting their Masonic Youth. Grand Lodge assesses fifty cents per Nebraska Mason for each of the three Masonic Youth groups. Rainbow received $5037. Grand Lodge also has a Silent Auction at their Annual Communication the proceeds which are divided equally among the three groups. That came to $1436 in 2018. Grand Chapter OES budgets $7000 for each of the three groups annually plus donations are collected and distributed to Grand Assembly, Grand Bethel and DeMolay several times a year. Grand Chapter provides a lovely large bouquet of flowers for Grand Assembly or a donation to the GWA's projects. Both organizations provide $1000 scholarships to graduating seniors.

Contributions from the Masons and Eastern Stars allow Grand Assembly to provide at no cost the brochures for each Assembly to use in recruiting new members and helping interested people learn more about Rainbow. The funds also help us to keep the costs of Grand Assembly reasonable, aid the Grand Worthy Advisor and by covering the expenses of representing Grand Assembly and preparing for her Grand Assembly session.

Your Grand Executive Board members are allowed mileage to attend meetings but rarely, if ever, submit a bill.

So if you have a chance, let these generous sponsors know they are appreciated.

*deceased

I have invited the anniversary Past Grand Worthy Advisors to attend Grand Assembly to celebrate the anniversaries of their grand assembly sessions. Each PGWA gave many years to Rainbow, some have been back working as adults over the years, and each one has special memories to share. If your Assembly was the home to any of the those listed above or if you were involved during their years in Rainbow, please extend a special invitation to come to Grand Assembly so we may honor them. We recognize the anniversary PGWAs on Saturday afternoon and ask them to bring greetings.

WHAT ARE ALL OF THESE SHOES FOR? COME TO GRAND ASSEMBLY AND FIND OUT! DON'T THROW AWAY ANY GENTLY USED SHOES. THERE IS A NEED……

MOTHER ADVISORS' CORNER

(NOT JUST FOR MOTHER ADVISORS…IT IS OKAY FOR EVERYBODY TO READ THIS PAGE)

I am not aware that we will have any **Supreme visitors** this year, but it is early and there can always be last minute surprises.

Please **check with your Grand Officer(s) and Grand Representatives during May**. Do Officers have parts memorized? Have Grand Representatives been corresponding with counterparts? If their counterpart is not responding, let me know, I can ask their Supreme to encourage their girl to communicate. Do the girls have other responsibilities or special requests from the GWA? Grand Representatives and some Grand Officers will be performing the special ceremony chosen by the GWA on Saturday afternoon. Parts will be coming from Sue Hedges.

The next part is a review; only a couple changes as you prepare yourself and your girls for Grand Assembly:

PACKETS It's all there…review it to be sure everything is covered. We are all busy, but deadlines are important.

GRAND REPRESENTATIVES should be corresponding with their counterparts and need to have a report to the Junior Chairman. Pick one item from one jurisdiction for Parade of States and focus the costume on that. Hoping for creative costumes; not just "stuff".

NEED GRAND ASSEMBLY INITIATES!
Would be great to have a new member or two from each assembly! Earn incentives mentioned elsewhere in the newsletter.

TAKING MAJORITY AT GRAND ASSEMBLY
Girls wanting to take Majority at Grand Assembly must have had their 20th birthday prior to June 8, 2019 and they must have served as a Grand Representative or Grand Officer at some time.

DON'T FORGET LOVE & SERVICE. This is the forgotten reward for your girls. I suspect every girl is deserving. MAs get someone to help you with this.

EVERYONE COMES TO HADDIX. Other than meals and the non-Grand Cross activity Saturday morning, come to Haddix for all rehearsals, activities, ceremonies and sessions.

CHOIR NOTES—Check out the schedule. In addition to morning practice, the Choir will rehearse at Haddix at **12:45 p.m**. This is 15 minutes earlier than usual.

RITUAL COMPETITION—I hope we have a record number of participants and teams this year.

IMPORTANT: Grand Pages MUST be at the Grand Officer practice at 9:00 a.m. Friday morning at the Haddix Center. This is when they learn how to handle the microphones used during ritualistic work. If a Grand Page is in Ritual Competition, she is scheduled late in the morning and we will see that she does not miss her competition.

TRAVELING PINS Grand Officer and Grand Representative traveling pins MUST be turned in at Grand Assembly. **Lost pins are $25 each** and Assemblies will be billed for the missing pins if not paid for or replaced by the girl(s). IF pins are replaced and then missing pins are found, there are no refunds. Sorry.

ESCORTS--REMIND YOUR GRAND OFFICERS AND REPRESENTATIVES THAT THEY NEED AN **ESCORT FOR SATURDAY AFTERNOON** AND THEY SHOULD ASK THAT PERSON *BEFORE* ARRIVING AT GRAND ASSEMBLY. Escorts may be special females in a girl's life as well as the traditional fathers, brothers, Ambassadors. Fiancés acceptable; boyfriends discouraged.

DORM We will all be housed at HANSEN Hall again (that's the newer dorm with pods). Sue Hedges will be available for early check-ins on Thursday as soon as she gets keys. On arrival check, your rooms and report any damages found to the RA. Assign someone to check your rooms before leaving campus. Congratulations! No complaints last year; keep it up! TURN IN ALL ROOM KEYS or you will be billed.

OUT OF STATE VISITORS. We will let you know if we expect out of state visitors who are counterparts to your girls (either grand officer or grand representative). Please include those visitors in your assembly activities and parties and make them feel welcome. Encourage your girls and adults to greet and talk to ***all*** visitors and Distinguished Guests. Nothing makes a bigger or more lasting impression than friendly smiles and conversations.

VISITATION SCHEDULE. As I write this, the Visitation Schedule is coming together. We know there will be a visitation on June 16. Grand Bethel is June 27 and there is a visitation scheduled June 28 but that is the only one that will be scheduled that weekend. DeMolay Conclave is Saturday July 13 in Hastings. There are dates available before and after Conclave. The final weekend will be July 19-21 and it is filled. By the time you receive this all dates should be set.

LINENS AND SATURDAY BREAKFAST. No change. Linens at Grand Assembly are provided *only* if ordered. Each Assembly provides Saturday morning breakfast for their girls and adults.

BACKGROUND CHECKS NEEDED FOR ADULTS HELPING AT GRAND ASSEMBLY. Any adults chaperoning or assisting at Grand Assembly need to have completed a background check. This includes Past Grand Worthy Advisors who have attained their majorities. If you have anyone who needs to do a background check, let Betty G know (first and last name and email address) and when they are ready, she will issue the invitation.

Mother Advisors, Associate MAs, Rainbow Dads and all adults assisting in any way…a huge thank you for all you do. Betty G SI

Did you know? Traditionally, a phoenix is an ancient fire-bird believed to have risen from its own ashes.

Westside #22

Unfortunately, with our girls being so busy with school, Westside has not had many fun events going on within the past few months. However with Summer just around the corner, Westside has some great upcoming activities. On May 4 we have our annual Mother's Day Ceremony and Luncheon. The ceremony is a beautiful reflection of our love for our Mothers' and the luncheon is always a fun event. Our pledge group is also planning a clean-up of the Westside Memorial Garden. They will weed the garden and help plant new flowers for the upcoming year. This event is scheduled for Sunday May 19 at around 12 until it is finished.

Plainview #34

Plainview Assembly held a Christmas Cookie fundraiser just before Christmas. The girls baked and decorated over 20 dozen cookies and candies! After spending the whole day putting trays together, the girls invited the pledge group for a Christmas party.

Weather hasn't been the most cooperative for our other plans this spring! After scheduling a fun outing with our Pledges 3 times, we were able to meet at the YMCA and swim on April 19th and then went out for pizza.

Our next event is planned for late May when we will have a craft night to make door decorations for our local nursing home and a Rushee party with our Pledges.

Kaydi Daudt, was initiated into Mount Vernon Chapter #84 Order of Eastern Star on April 25.

The rest of Plainview Assembly is gearing up for Grand Assembly and working on their parts and completing Grand Worthy Advisor Morgan's projects. We can't wait to see everyone there!

Supreme Temple Trip – March 2019

Lynn Broyhill #12

Lynn Broyhill has been pretty busy this spring hopping from house to house to "Egg" friends and family of the Masonic family, making tie blankets for Dialysis patients and just having a great time!

Jocelyn Walz was Installed as Worthy Advisor in January and she has kept the girls very busy! Her theme is Stay Strong, colors are pink and grey. Her mascot is the elephant. She has a lot planned for the girls and they are well into getting all of that done.

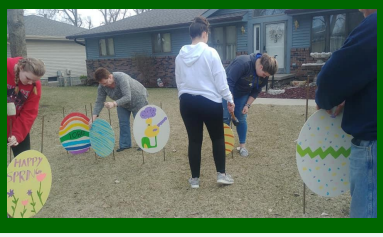
The assembly is collecting items for one of the local homeless shelters, personal care products, socks, etc. The girls did a similar project at Christmas, Jocelyn wanted to continue to help provide some of these things during her term.

Rainbow Sunday was April 7 and a group of 18 went to church together. After church the girls placed flowers on Lynn Broyhill's grave at Graceland Cemetery in Sioux City. After a delicious lunch made and served by Rainbow Dad Wayne and board member Randy, the girls made tie blankets for Dialysis patients (Jocelyn's Dad is a dialysis patient, thus one of her projects). Dialysis patients tend to get cold during the process and these blankets will be donated to a local center to help keep them warm. The assembly attended the Shrine Circus as a group on April 10 and presented the flags that evening.

A big fundraiser has been ongoing since April 1. The girls are "Egging" houses with brightly colored wooden Easter Eggs! Houses get egged with 6, 12 or 18 eggs Head Rabbit and Advisory Board member Toby Varvais has been in charge of this fundraiser. The girls and a few adults painted the eggs cut out by Alan Pedersen and Randy Walsh. For a fee the eggs are removed from the yard and can be sent somewhere else. Home owners can also pay insurance to not have the eggs return. It's all in good fun and people have been very supportive. I hear that there have been some inquiries about Rainbow and what we are all about from people with Rainbow age girls! How exciting! Our goal was to do fundraising and promote Rainbow……I think the assembly is accomplishing that while having a great time!

Next will be getting ready for Grand Assembly and all that comes with that! Scrapbooking, name tags, ritual competition and of course…..seeing all of their Rainbow friends!

In Rainbow Love and Service,
Cindy Pedersen, Mother Advisor



Benson Diana #2

Benson Diana Assembly has had an exciting Spring! On February 10th, we initiated 3 new members, and held our Installation of Officers immediately following. It was a very fun-filled day!

In March, we sold desserts at the 3-5-7 dinner as well as at Tangier's hamburger night. It's always fun to support our Masonic family!

We are currently working on everything Grand, and are so excited to see everyone next month!

We look forward to seeing you soon!
